Your ACOOG DOSE: Delivering Opportunities for Support and Engagement

In keeping with our VALUES, the ACOOG wants to provide a variety of opportunities for engagement and support your practice journey in as many ways as possible. Here are just a few of the ways you can get involved.

COMMITTEES 112 individual volunteers averaging 9 hours each equates to over 1,000 hours annually. The ACOOG could not serve our entire membership without the service and dedication of our volunteers.

CME FACULTY Help us provide advanced continuing education for your peers by lecturing, teaching an interactive workshop, or writing an online module.

STUDENT/RESIDENT EDUCATION We conduct multiple educational programs for medical students and residents each year. Faculty and mentor volunteers are always needed. Contact us if this is your passion!

VISITING PROFESSOR Visit a College of Osteopathic Medicine to mentor students about choosing OBGYN as their specialty.

ADVOCACY You can be an active advocate on issues that impact your patients and practice even if you can't attend a Hill event or serve on the Government Affairs Committee. Follow key legislative alerts and answer our calls to action by contacting your representatives.

RESEARCH Complete research in our focus areas or serve as a resident research mentor.

BOARD OF TRUSTEES If you have some experience volunteering with ACOOG and would like to do more, perhaps the Board is for you. New skills and perspectives are always valued.

FOUNDATION The Medical Education Foundation of ACOOG supports educational and research programs within the profession. We welcome you to volunteer on the MEFACOG Board or for a specific project.

CERTIFICATION Although the certifying board is a separate entity, it is integral to the advancement of our MISSION. We appreciate the partnership we share and encourage you to consider becoming an AOBG examiner.

INCLUSIVE Be part of a women's healthcare community where all members feel respected, welcome, and heard.
